

# COVID-19 UPDATE

To Our Valued Customers:

We find ourselves in unprecedented times. With the ongoing spread of COVID-19 (coronavirus) and the incredible speed at which things are changing around us, we are continually adapting our operations and business. Through the foreseeable future, **Homeland Contractors** will be doing our part to stop the spread. **As a business considered essential, we remain on the job and ready to serve.** While our work is typically outdoors, we are honoring the recommended 6ft social distancing. All payments are contact less and while we do require a signature for services rendered, we will sanitize the needed pen prior to your use.

***We will continue offering our services as long as there's no further mandate from the State of Virginia or the Federal government to stop.***

All of us at Homeland Contractors appreciate your business and efforts to adhere to best business practices while trying to deal with this pandemic. Please stay safe!!! Contact us if you have any questions.
